By Senators Wirtz and Murphy:

Whereas, The American Bar Association, the Texas Bar Association, and bar associations of various other States, as well as other patriotic societies, are advocating the teaching of the Constitutions of the United States and of the several States in the public schools thereof; and

government, as set forth and provided for in the Constitution of the United States and the State of Texas, essential to the preservation of the democratic governments of Nation and State, and the perpetuation of the liberty of the citizens thereof; and

Whereas, The conditions of our Nation and State are now such as to call for enlightenment of the people on, and re-dedication to those principles of free government set forth in the Constitutions of the United States and the State of Texas, especially those providing for and establishing said governments as representative democracies; providing for the sovereignty of the respective States in all matters except those specifically delegated to the Federal Government; and more especially those guaranties set forth in the Bill of Rights, such as freedom of religion, freedom of speech and freedom of the press, the right of the people to be secure in their persons, houses, papers and effects against unreasonable searches and seizures, the right of trial by jury and freedom from deprivation of life, liberty or property, except by due process of law; now, therefore, be it

H. B. No. 74—Conference Committee Report.

Committee Room,

Austin, Texas, June 14, 1923.

Hon. R. E. Seagler, Speaker of the House, and Hon. T. W. Davidson, President of the Senate.

Sirs: We, your Conference Committee appointed by the House and Senate to adjust the differences between the House and the Senate in H. B. No. 74, beg leave to report that we have carefully considered the bill and the differences between

the two Houses and as our report we recommend the following bill as a substitute for H. B. No. 74, and we recommend the adoption of this report by the House and by the Senate:

A BILL

To be Entitled

An Act to appropriate two million (\$2,000,000.00) dollars out of the general funds of the State to aid all the public schools for the scholastic year beginning September 1, 1923, and ending August 31, 1924; and to appropriate the further sum of two million (\$2,000,000.00) dollars out of the general funds of the State to aid all the public schools for the scholastic year beginning September 1, 1924, and ending August 31, 1925, said appropriations to be distributed as the available school funds are now distributed, and declaring an emergency.

Be it enacted by the Legislature of the State of Texas:

Section 1. For the purpose of promoting and aiding all of the public schools of this State two million (\$2,000,000.00) dollars is hereby appropriated out of the general funds of the State Treasury not otherwise appropriated, the same to be added to the available school fund for the scholastic year beginning September 1, 1923, and ending August 31, 1924; and for the purpose of promoting and aiding all of the public schools of this State the further sum of two million dollars (\$2,000,000.00) is hereby appropriated out of the general funds of the State Treasury not otherwise appropriated, the same to be added to the available school fund for the scholastic year beginning September 1, 1924 and ending August 31, 1925; and that said money so appropriated shall be distributed in accordance with the law now controlling the distribution of the available school funds of this State, as provided for in Articles 2725 and 2726, Chapter 9, Title 48 of the Revised Statutes of 1911.

Sec. 2. The fact that many of the public schools of the State require additional funds to pay the salary of teachers for the scholastic years beginning September 1, 1923, and ending August 31, 1925, creates an emergency and an imperative public

necessity calling for the suspension of the constitutional rule requiring bills to be read on three several days, and such rule is hereby suspended, and this Act shall take effect and be in force from and after its passage and it is so enacted.

4. Said funds shall be deposited with the State Treasurer and paid out as provided in Article 6188 and Article 6192, of the Revised Civil Statutes of 1911. The Prison Commission shall cause to be made on the first of each month a detailed statement of all receipts from whatever source during the preceding month, together with statement in detail of all disbursements for all purpose whatever, and also of all obligations incurred by the Commission during said month. Sec. 2. There is also appropriated out of the general revenue of the State the sum of thirty thousand (\$30,000.00) dollars to be applied in full settlement and satisfaction of three certain notes in the principal sum of \$31,250.00 each dated December 11, 1920, payable to the Fort

Bend Cotton Oil Company or order, executed by the Board of Prison Commissioners in part payment for the properties known as the Fort Bend Cotton Oil Company's cotton seed mill and oil mill properties at Richmond, in Fort Bend County, Texas, same to be paid to the Houston National Exchange Bank of Houston, Texas, upon warrants drawn upon the Treasury by the Comptroller of Public Accounts but only upon surrender to the Comptroller of Public Accounts with payment receipted for in full, of said notes and upon dismissal at plaintiff's costs in all courts of the case of Houston National Exchange Bank vs. J. A. Herring et al., No. 95,712, in the District Court of the Eightieth Judicial District, Harris County, Texas, and now pending in the Supreme Court of this State as cause No. 12920, styled J. A. Herring et al., Plaintiffs in Error, vs. Houston National Exchange Bank, Defendants in Error, and upon release or relinquishment executed by the Board of Prison Commissioners to said Houston National Exchange Bank, of all right, title and interest of the State and Board of Prison Commissioners in and to said oil mill properties, and upon written release and relinquishment, prepared and approved by the Attorney General, executed by said Houston National Exchange Bank, and delivered to the Comptroller of Public Accounts, of any and all claims or demands whatsoever kind or character by said Houston National Exchange Bank with respect to said notes and properties.

Sec. 3. Provided, however, that no money herein or hereby appropriated except that which is provided for in Section 2 of this bill, shall ever be used in, applied to, available for the payment of those three certain alleged notes, or any part of same in the principal sum of \$31,250.00 each, dated December 11, 1920, payable to the Fort Bend Cotton Oil Company or order, claimed to have been executed by the Board of Prison Commissioners in an alleged purchase by the Board of Prison Commissioners from the Fort Bend Cotton Oil Company of the Fort Bend Cotton Oil Company's cotton seed oil mill properties at Richmond, Fort Bend County, Texas, nor in payment of any court costs accrued or accruing in the case of Houston National Exchange Bank vs. J. A. Herring et al., No. 95712, brought by the Houston National Exchange Bank, in the District Court of the Eightieth Judicial District, Harris County, Texas, to enforce the payment of said notes; nor used in, applied to or available for the payment of or in any way upon that certain note in the sum of \$39,000.00 payable to Bassett Blakely or order and executed by the Board of Prison Commissioners in part payment for certain mules and horses purchased by the Board of Prison Commissioners for the use and benefit of the State of Texas from said Bassett Blakely in January, 1921; and the Board of Prison Commissioners is expressly prohibited from making any payment, settlement, trade or transaction whatsoever with respect to said notes or any debt, claim or demand whatsoever concerning same.

Sec. 4. To build and equip within the walls of the State Penitentiary at Huntsville, Texas, a building to be used for chapel and school purposes for the inmates of the penitentiary for the first year of the ensuing biennium five thousand dollars (\$5,000.00).

Sec. 5. The fact that the Regular Session of the Thirty-eighth Legislature adjourned without passing the General Appropriation Bill, and the further fact that public policy requires that proper provision be made for the maintenance and support of all State institutions and Departments with as little delay as possible, and this bill, being one of the regular appropriation bills, and the near approach of the date of adjournment of this special session creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended, and that this Act take effect and be in force from and after its passage, and it is so enacted.

Whereas, The eleemosynary institutions maintained by the State of Texas for the benefit of the insane, the feeble minded, the epileptic, those affected with tuberculosis, the delinquent children, the orphans and other dependents, are now crowded far beyond their capacity; and,

Whereas, there is a constant increase in the number of unfortunates and dependents which should and must be cared for in the above mentioned institutions; and,

Whereas, the welfare of the State demands the enactment of laws and the adoption of policies which will prevent, as far as possible, the constant increase in these classes of citizens, and which will, at the same time, provide adequate facilities for their care and treatment. Now therefore be it

Resolved, By the House of Representatives, the Senate concurring: That a non-salaried eleemosynary

commission, composed of nine members, be created by the Thirty-eighth Legislature, to be appointed as follows: Two members shall be drawn from the Senate and be named by the President of the Senate; two members shall be drawn from the House of Representatives and be named by the Speaker of the House; and five members shall be drawn from the private citizenship and be named by the Governor. It shall be the duty of said commission to make a careful study of conditions existing in this State in connection with the above mentioned dependents and unfortunates, directing consideration toward the following particular matters: First, the prevention of insanity, feeble mindedness, delinquency, and the increase of State dependents; second, the care and custody of criminal insane; third, the revision of laws governing the commitment, parole, discharge, care and custody of inmates of State eleemosynary institutions. Be it further

Resolved, That said commission shall meet at Austin on the first Monday of the first month following appointment of the members and organize by electing a chairman, vice-chairman, and secretary, and shall hold subsequent meetings at such times and places as may be deemed necessary or advisable; and that said commission shall finally report back at the opening of the Thirty-ninth Legislature in 1925, a full and complete record of its findings with such recommendations as may be deemed proper to further a state policy that will promote the welfare of the State of Texas.

With the following House amendment:

Include among the subjects to be given special consideration and investigation the report that an official connected with one of the State Insane Hospitals has employed inmates of said institutions in his personal service.

The resolution was read and adopted.

Simple Resolution No. 33.

Whereas, Senator Fairchild has been elected President pro tempore ad interim of the Senate since the photo of this body was framed and hung in the Senate Chamber; therefore be it

Resolved, That the necessary sum be and is hereby appropriated out of the contingent fund of the Senate to pay to have the necessary letters placed under Senator Fairchild's photo in the Senate group, showing his official title.

The resolution was read and adopted.

Notification Committee From Governor Reports.

The committee appointed to notify the Governor, reported that they had performed their duty, and presented the following message from the Chief Executive:

Governor's Office,

Austin, Texas, June 14, 1923.

To the members of the Texas Senate,
Third Called Session, Thirty-eighth Legislature:

Gentlemen: In answer to your committee commissioned to advise me that your honorable body is now ready to adjourn, this is to say that I have had no time to make an accurate analysis of the work of this

session, as the most important appropriation bills have just reached my desk. A cursory observation, however, leads me to believe that you have neither provided the necessary revenue with which to meet the made appropriations, nor placed the appropriations within the available revenue. So often have I submitted this proposition to you that I have no hope that you would make "tongue and buckle meet" should I again reconvene you for this purpose in another special session. I do not feel that we should at this time spend more of the people's money in marching up the legislative hill and down the legislative hill in a futile effort to do the thing that ought to be done, but which it seems is impossible for you to do.

In so far as I have the authority to speak for all the people, I desire to cordially thank those of you who have, during these legislative days, stood for truth, justice and right; for law and order; and for all those things that go to make a state both great and good. As you, one and all, reach your respective homes, I sincerely trust you will find your friends and loved ones well and your business not seriously impaired by your absence, occasioned by your service to the State.

Yours most sincerely,
PAT M. NEFF, Governor.

The appropriations herein provided for are to be construed as the maximum sums to be appropriated to and for the several purposes named herein, and no expenditures shall be made, nor shall any obligation be incurred, which, added to the actual expenditures, will exceed the amount herein appropriated for either of said purposes.

If any work be not done or the place not filled by the appointment of a person, for whom a salary is herein fixed, then such salary shall lapse and be returned to or left in the State Treasury; provided, that no person for whom any salary is herein fixed shall be allowed to draw more than the amount of such salary from any other salary or amount herein fixed, or from any fees authorized to be charged, or from any State fund or funds under the control of the governing authority of such particular institution; and provided, that if any amount herein fixed for any particular purpose be not used for such purpose in whole or in part the unused portion of such fixed amount shall be returned to or left in the State Treasury; and provided further that this language shall not be construed to prevent promotions or the transfer of one employee from the position for which employed, having affixed thereto one salary, to another position having affixed thereto a different salary.

When, under this bill, the family of any superintendent or employee of any of said institutions, are permitted to live at said institution, and furnished with board, fuel, lights, laundry, water, housing, or furnished any of said things the word "family" shall be construed to mean the immediate family of said superintendent, officer or employee, including himself, wife, and minor children only, and no other person or persons is to be furnished with provisions not to exceed some certain amount stated, and it shall be the duty of the storekeeper and accountant to charge said superintendent, officer or employee with each item of provisions as furnished him, showing the price or value thereof, and said storekeeper shall not permit the amount authorized to be exceeded, and shall make a monthly report of same to the Board of Control and said Board of Control shall be charged with the duty

The amounts appropriated in this Act are intended to cover the entire costs of the respective items, and it is especially provided hereby, that all contracts and undertakings entered into, under and by virtue of the terms hereof for improvements, enlargements and repairs on buildings and grounds, and for the construction of new buildings and for furnishings and equipment of buildings, shall be made strictly within the limits and terms of the appropriations made for such purposes, and it shall be the duty of the Board of Control of the various institutions in the consideration and adoption of plans specifications and contracts therefor, not to exceed such appropriations nor to incur any obligation in excess thereof.

Sec. 2. The fact that the above and foregoing is one of the regular appropriation bills for the support of the State eleemosynary institutions for the two fiscal years beginning September 1, 1923, and ending August 31, 1925, creates a necessity for the expediting of the passage of this appropriation bill, therefore creates an emergency and an imperative public necessity which demands that the rule requiring bills to be read on three several days be suspended and that this bill become effective from and after its passage, and it is so enacted

Sec. 2. The fact that the appropriations heretofore made for the above items are exhausted or will become exhausted before the expiration of the time for which the same were appropriated or the urgent need of such appropriations where same is not a supplemental, creates an emergency and an imperative public necessity which justifies the suspension of the constitutional rule requiring bills to be read on three several days in each House and the rule is hereby suspended and this Act shall take effect and be in force from and after its passage, and it is so enacted.

S. B. No. 22.

An Act making appropriation for two years of any unexpended balance of an appropriation made to acquire additional lands for the University of Texas, which appropriation was made by the Thirty-seventh Legislature at its Regular Session, said Act being Chapter 137 of the General Laws of said Regular Session; requiring a bond to be executed within 90 days after this Act takes effect for the purpose of guaranteeing that said lands may be acquired within the amount appropriated by the Legislature; providing that said appropriation of the unexpended balance shall not be available until the execution and delivery of said bond; prescribing the conditions of said bond; and declaring an emergency. Be it enacted by the Legislature of the State of Texas:

Section 1. Any unexpended balance of the appropriation made by the Regular Session of the Thirty-seventh Legislature for the purchase of additional lands adjacent to the campus of the University of Texas, said appropriation being made in Chapter 137, General Laws, Regular Session of the Thirty-seventh Legislature, is hereby appropriated for a period of two years from the time that said appropriation shall lapse in the State Treasury, provided that the appropriation herein made shall become available upon the execution and delivery to the University Land Acquisition Board of the bond hereinafter described, and not sooner; provided further that said bond must be executed and delivered within ninety (90) days after this Act takes effect, or else said appropriation shall not become available. Said bond shall be a guaranty bond from the Chamber of Commerce or citizens of Austin executed and delivered to the University Land acquisition Board, guaranteeing to said board and to the State of Texas that the land described in Chapter 137 of the General Laws of the Regular Session of the Thirty-seventh Legislature can be acquired in the methods described in said Act for the purpose therein stated and specified at not to exceed the sum of \$1,350,000.00, including any and all of such land heretofore acquired or hereafter to be acquired and including any of said money heretofore expended or hereafter to be expended, the purpose being to guarantee that said land described in said Act will not cost the State in excess of \$1,350,000.00, said bond to be drawn by the Attorney General of the State of Texas in such words, tenor and effect as will, in his opinion, be binding and to be approved by him as to form; said bond and the obligors therein to guarantee that said land, together with the expense of acquiring same can be acquired within said sum. Said sum to cover all condemnation proceedings and the cost incident thereto that may be necessary for the acquisition of the property, and the expenses above provided for.

Sec. 2. The fact that it is apparent that some of said appropriation will be unexpended and will lapse in the State Treasury without all of said lands having been acquired, as provided for in the original Act, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days in each House be suspended, and that this Act shall take effect and be in force from and after its passage, and said rule is hereby suspended and it is so enacted.
